## About us

---

The people of the Thornleigh Hillcrest congregation have built this complex to share with the community in which they reside.

As a Christian community we are committed to:

- Lord Jesus Christ
- nurturing the young
- worship & fellowship
- family life & values
- pastoral care
- Christian education
- social responsibility
- mission & evangelism

As a community we worship regularly and we share our faith through fellowship and social interaction. Across the life of our congregation all age groups are catered for in one way or another.

You will find opportunity for interaction through Bible study, getting together with likeminded people, Christian education pursuits, social responsibility focus and outreach through mission and evangelistic avenues.

We are a caring community with a full range of pastoral services.

Our life as a community includes activities such as, Mingles (marrieds and singles), fellowship groups, Bible study groups across various ages and human and community interest groups.

For more information about our community, please contact the minister on 0402478240
